Professional Long Course 2015

In September, we welcomed new students onto our [9 month Professional Long Course](#). Peter posts updates most days on Facebook so do subscribe to see what the students are doing now.

We are delighted that one of our 2014 Graduates, [Sam Carter](#) has just won the Alan Peter's Award for young designer-maker at this year's CCD [Celebration of Craftsmanship and Design Exhibition](#); Sam joined us straight from School at the age of 18 and is the youngest winner of this prestigious award.

In August this year, we had three of Peter's past students exhibiting and successfully selling their work at the CCD exhibition in Cheltenham; [Sam Carter](#) sold his OverArching console table on Preview night, [Howard Butler](#) has his own cabinet making workshops and [Charlie Adeney](#) is now a Designer at Hutchinson Furniture.

Three of our July 2015 Graduates have also set up their own workshops this year - Kevan and Roger have their own craft workshops at home and up and running is Reuben - here is a link to his stunning work at [Reuben Lloyd Pack Furniture](#).

**This year's Professional Long Course dates are
19th Sep 2016 until 14th Jul 2017**
